A Whimsical Animal Tale Songbook

Why Monkey Lives in Trees

Share Musical Fun with Your Child

Enjoy meaningful moments together with these simple music activities:

❑**Listen:** Play a song using a phone, tablet, or computer.

❑**Read:** Follow along with the song's lyrics.

❑**Sing:** Sing the song together.

❑**Play:** Play along using an instrument like a guitar, keyboard, recorder, harmonica, or ukulele.

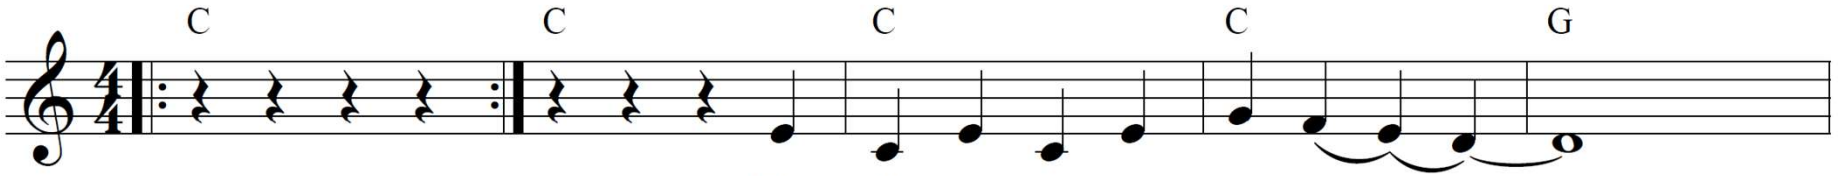

❑**Discuss:** Talk about the song's story and the moral or lesson behind it.

Sharing these musical moments helps your child learn and grow while creating fun, lifelong memories together.

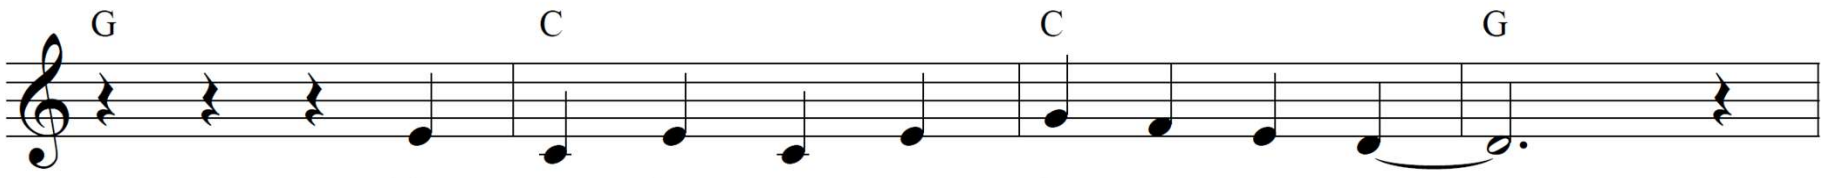

Easy to Use

Every song features four helpful tracks on eavh page:

- ❑ **Chords** (represented by letter names): *Whimsical Animal Tale Songs* are easy to play because you only need to learn 3 or 4 chords.
- ❑ **Melody:** Great for singing, playing with a single finger on a keyboard, or playing with multiple fingers on a flute, clarinet, saxophone, oboe, or recorder. Because there are no hidden flats or sharps, these songs are approachable for beginners and offer a wonderful opportunity for your child to perform.
- ❑ **Lyrics:** Read or sing along, then chat about the words to discover the song's key takeaway.
- ❑ Pictures illustrating the story
